

**DRAFT**

# Are you looking for more inclusivity and compliance in the classroom?

**GAEIR DIETRICH IS HERE TO HELP!**

Gaeir Dietrich is the Director of the High Tech Center Training Unit (HTCTU) of the California Community Colleges and a nationally recognized expert in the field of alternate media.

Are you seeking a simplified version of the legal requirements of Section 508 how it applies to you?

Gaeir will:

- Provide helpful tips on inclusivity in the classroom with the use of Universal Design so ALL students benefit from course material
- Meet accessibility requirements in higher education

*Join Us!*
