Priority Registration for Athletes

Proposal:

Beginning Fall 2018 student athletes will receive priority registration to facilitate balancing team practice schedules and academic plan needs.

Plan:

- 1) Athletes will be placed in Group One following DSPS, Foster youth, EOPS and Veteran students as prescribed in regulations.
- 2) In order to be assigned a priority registration date, all students must have applied no later than July 1st for fall semester and November 1st for spring semester.
- 3) In order to be identified to receive priority registration the athletes will need to be coded on the athlete page in the new system.
 - Details on the process will be provided to the athletic directors and staff during Campus Solutions training.
