Subject: CEC Meeting Agenda item Attachment - CEC Change Proposal

Per CGC's request, the following is the Managers' feedback:

If the will of CGC is to have CEC mirror Mesa College's President's Cabinet, then we should

- 1) Increase the membership to include a SS Dean Rep AND Instructional Dean Rep to match Mesa's
- 2) And also make CEC as a recommending body as Mesa's president's cabinet. Here is the graphics from Mesa as it relates to governance.

Thanks for asking managers for input.
