	For item 21, last year San Diego Miramar College reported 118 as the total number of instructional programs. For this year, the number dropped to 116. Reason being is that over the past year, the

following activity occurred:

1) The removal of the Correctional Training for Deputy Sheriffs, Mortgage Brokerage and Banking, and Financial Services as programs. One program was added which is an ADT in Geology.

For item 22, Student Services and Learning Support, the total number of student services with activities have decreased by one (Equity department) which is now under the Dean of Matriculation and Student Development.
