

Draft Minutes 2/6 for ESC

- Meeting ASC: Bette and Rachel are here. Janina is here, Ashlee and Mardi are here. Allen A. Present too

- Are charge: approved to update the charge – more visibility on campus.
- Good response to sustainability statement for syllabi
- Plastics 1-7?? Can they really be recycled? Normal pickup is 1 and 2 only. Maybe update that.
- District Comm and Report: Facilities sent Ashlee back to Joel with District. Joel wants “yes” – yes, this is what we are doing and “yes” this is what we will do in the future.
 - This is our baseline assessment and where we want to go
- OMS Conference – Safety, Maintenance Conference
 - It is here in San Diego
 - Focus on Clean Energy
 - Feb 22-23
 - Looking for Student Volunteers – volunteer for a shift, then get free entry into the conference in the exhibition halls
 - I will share this out as well
 - At the Convention Center
- Collaboration with Sustainability Club on Earth Day
 - Katie Lu (sp?) – President of Club
 - Big collaborative discussion across campuses
 - Earth Day Climate Summit
 - On our campus: a larger event on Weds 4/24
 - Spreadsheet [Earth Day Masterplan - Google Sheets](#)
- Pablo and bees from years ago
- Edible campuses

I wonder if we could have a ESC Page with information (like a faculty page but for sustainability)

Bus routes, how to use it, options
