MISSION

Our mission is to prepare students to succeed in a changing world within an environment that values excellence in learning, teaching, innovation and diversity.

2007-2013 STRATEGIC GOALS

- Goal 1: Focus college efforts on student learning and student success through quality education that is responsive to change
- Goal 2: Deliver instruction and services in formats and at sites that best meet student needs.
- Goal 3: Enhance the college experience for students and the community by providing campus facilities, programs and student-centered co-curricular activities that celebrate diversity and sustainable practices
- Goal 4: Initiate and strengthen beneficial partnerships with business and industry, other educational institutions, and the community
- Goal 5: Refine the college's integrated planning process
